

1. Create a username and password – best if you use your Redclay e-mail as you username
2. Log in and you will see the choices below

3. Click on the Blue Multiple Choice Poll
4. Complete the text boxes with the question and the answer choices,
5. On the right side you will see choices listed and you only need to select and change 'How People Can Respond'
6. Select only **Smartphones** like the picture here
7. Save your poll
8. Below is what you will see with a URL and 4 codes for a response

9. Students will open Safari and type in 'poll4.com' in the URL window at the top of the iTouch
10. See picture:
11. Students will type in the code of their response and click submit
12. On the computer – connected to a projector if you desire – you will see the responses as they come in.
13. If you want to use the same question with another class you must clear the results.
14. You will need a new poll for each question
